

VOICE-TRACKING TELEPROMPTER

IT FOLLOWS YOU.

Not a fixed speed.

A pro teleprompter that runs in any browser. For live events, shoots, churches, classrooms and creators. Free to use, any length.

FREE TO USE · PRO ₱1,499 PAID ONCE

Free

FULL PROMPTER

Any script length, no time limit

12

LANGUAGES

Voice-tracking in English, Filipino, Taglish

Offline

AT THE VENUE

Prompting runs on your device, no wifi

0

INSTALLS

Opens in a browser. No account, no login

FROM SCRIPT TO *showtime*

01

Paste

Paste your script or import .docx, .txt or .rtf. Add # headings and [notes] as cues.

02

Dial in

Set speed, font, width, colour and the eye-line marker, with a live preview before you roll.

03

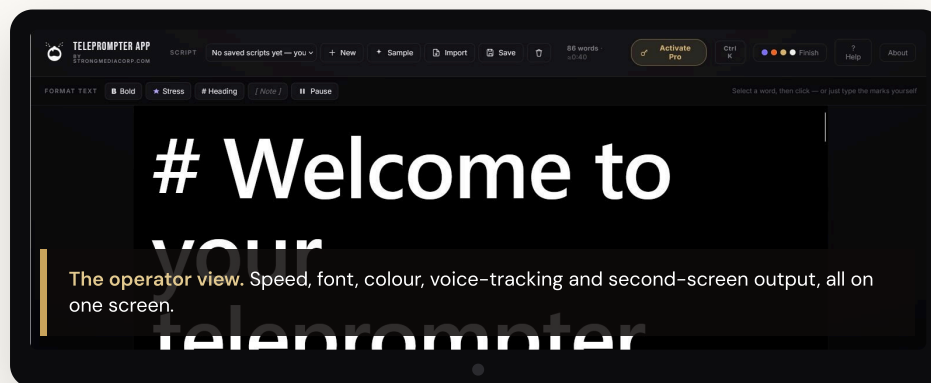

Roll

Scroll by hand, wheel or clicker, or let voice-tracking follow the talent, pauses and ad-libs.

04

Glass

Mirror the text for a beam-splitter rig, or send clean text to a second screen for the talent.

FREE

Free any length

PRO

₱1,499 one-time

STUDIO

Contact white-label

Paid once. Not a subscription. Pro adds the phone remote, a floating window over video calls and full-HD Camera Mode. Your key is emailed within minutes.

SCAN TO HEAR IT IN 36 SECONDS

Then one button: **Open Teleprompter now.** No hunting, no form to read first.
